

Hartridge Academy
Minutes for Board Meeting
March 2025

Board members Lisa Street and Juan Lopez plus the Principal were present. The meeting was called to order and the minutes from the previous meeting were read and approved.

The principal provided the financial reports for Q2 and discussed the need to continue with the uhaul and dumpster while the van for lunch delivery is down and the repair work to facility continues. The need for continued extra hours for Title 1 grant tutoring program and audit continues as well despite the hours worked onsite during spring break.

Students are progressing well at tutoring but summer school will be required if any students fail the FSA reading. Polk County traditionally has about half of their grade three students score below average each year.

Hartridge is still working out the payroll leasing company issues and the audit is almost completed. The new audit firm is working well with the principal. The state guideline of due date is attached showing it was not September 30 as misinformed.

There was no audience asking to speak and no new business from the members.

A motion was made to approve the consent agenda . The motion passed unanimously and the meeting was adjourned.
