

School's Military Point of Contact and general information

Principal Debra Richards is the School's Military Point of Contact, Central Liason to Military Families, and member of the School's Military Advisory Team. She is available by text or phone 863-585-1405; phone 863-956-4434; email debra.richards@polk-fl.net; and on site at 1400 US Hwy 92, Winter Haven FL 33881.

HARTRIDGE saves 5% of its seats for immediate enrollment of the Military Child. Appointments to tour, enroll a Military Child, or participate in our service minded events are scheduled directly through her, so that you become a priority. Weekends and evenings are available, too.

As Principal, Richards can access necessary records, assign resources, and staff the Military Child upon your arrival. You will have access to a Family Transition member to help you with needs outside of our campus, a Student Led transition contact for your child, and immediate placement in Exceptional Student Education and or English Language Learners programs if needed.

Richards also has educational information for the Military Children who are too young or too old for our elementary setting.
